

## **How to Apply for the LEED for Homes Green Rater Program**

Participants may apply to the program before or upon registration for the training. Only individuals who are 100% certain that they meet the eligibility qualifications and have earned the LEED AP Homes credential or completed the LEED for Homes Program Review Webinar should apply to the LEED for Homes Green Rater Training.

Application documentation should be sent immediately upon registration for the training, if not prior to.

**To apply, send the following documentation to [greenrater@usgbc.org](mailto:greenrater@usgbc.org):**

1. Certificate of completion from the LEED for Homes Program Review Webinar Series OR a copy of applicant's LEED AP Homes credential certificate
2. Complete and signed Eligibility Qualifications Form, and the requested supporting documentation (items 3-5 of this list)
3. Professional letter documenting minimum 3 years of experience in the field of residential construction with employer attestation.
4. Certificate of completion (or equivalent) documenting at least 8 hours of education that comprehensively covers residential green building strategies.
5. Certificate of completion (or equivalent) documenting at least 4 hours of education that comprehensively covers Building Science basics, including the topics of building envelop, heat transfer, air transfer, and moisture transfer. (*Certified HERS Raters and BPI Professionals automatically meet this requirement.*)
